JUVENILE COURT MEASURE PASSES

Judge to Be Appointed by Commission Consisting of Three State Officials.

GIVEN POWER OF REMOVAL

TERM OF OFFICE IS LIMITED TO TWO YEARS.

Abolition immediately of the present system under which the juvenile court of chinquency of the distribution of the country for which he was appointed any case of chinquency of country system, the appointment of the country for which he was appointed any case of chinquency of chinquency of any of the three state officials, his removal at the discretion of the board, the fixing of his term of office at two years and his salary at 8.600 ayear, provision for discretion of the board, the country of the which he was appointed to the supermore court, the naming of prevention of the board that the country of the supermore court, the naming of prevention of the prevention of the supermore court, the naming of prevention of the supermore court, the naming of prevention of the prevention of the prevention of the prevention of the supermore court, the naming of prevention of the prevention of the prevention of the supermore court, the naming of prevention of the prevention of

It is specified that in judicial districts containing cities of the first and second class a juvenile court is created, the judge of which shall hold office for two years, at a salary not to exceed \$1,000 a year. An important requirement is that the first judge shall be appointed within thirty days after the enactment of the law, whose term shall expire Dec. 31, 1908, unless removed by the commission. The commission is to have general supervision of the juvenile courts and probation officers, including the power of fixing salaries, equipping rooms, etc. The clerk of the district court of the several counties in districts containing cities of the first and second class is made ex-officio clerk of the juvenile court and is required to keep a register of the proceedings.

The juvenile court is given jurisdiction in all cases relating to the custody, detention, guardianship, probation, neglect, dependency, delinquency, examination, trial and care of children ander 18 years tention, guardianship, probation, neglect, dependency, delinquency, examination, trial and care of children under 18 years of age, and also over the misdemeanors of all adult persons committed by them in this connection. The court, however, shall not have jurisdiction in cases install not have jurisdiction in cases in the case in the

In Outside Districts.

In Outside Districts.

In judicial districts not containing cities of the first and second classes jurisdiction over juveniles shall be exercised by the district courts, but the proceedings shall be kept separate from all criminal business. The practice and procedure in juvenile courts are to conform as nearly as possible to those established for district courts. Upon sworn complaint, process is to be served by probation officers, sheriffs or any peace officer on the parance if the person lives within the county, and five days if he lives without.

In judicial districts not containing cities of the first move by admirably. Senator Park made the first move by daking that the chaplain be brought to the beheld in New York City from May 25 to June 10 of next year. The house yesterday passed a bill appropriating sertion. "This 'last day' of the session has lasted since Thursdayt and while we have been working, the chaplain has been dide," said the senator. "He prayed an extra long time on the sixtieth day. I noticed, but it has not been enough to last, and so I move that he be brought to the state. Two days are allowed for appearance if the person lives within the county, and five days if he lives without.

Judges are allowed rease.

It is a presentation speech, put it. The affair was a complete surprise to the "par-part of the sense out the great international mining exposition which is to be held in New York City from May 25 to June 10 of next year. The house yesterday passed a bill appropriating 25 to June 10 of next year. The house the bar of the sension of the sension has lasted since Thursdayt and while we have been working, the chaplain has been that will have charge of the state's display. The commission is to be appointed by the governor, who is himself to be a curl will have charge of the sension that will have charge of the sension that will have charge of the sension that will have charge of the sension of the sensi

state. Two days are allowed for appearance if the person lives within the county, and five days if he lives without.

Judges are given wide range of authority in investigating cases, and may continue hearings from time to time and place the delinquent on probation. In case of judgment for delinquency decrees may object to the child, to the end the committed to any institution that it be committed to any institution with the state incorporated or organized the care, correction or advancement of children; that it be committed to any institution that may be provided by the state or county for the care, correction, and the manner of the state incorporated to the state incorporated to the care correction, detention of advancement of children; that it be committed to the state industrial school; that it be disposed of in any other way, except to commit to the state industrial school; that it be disposed of in any other way, except to commit to the state industrial school; that it be disposed of in any other way, except to commit to the state industrial school; that it be disposed of in any other way, except to commit to the care correction and judgment of the court be for the best interest of the child, to the end that its wayward tendencies shall be corrected and the childs aved to useful clitizenship. No decree shall operate after the child reaches the age of 21 years.

Appeals may be taken to the supremental court after the manner of taking appeals.

from the district court, and a stenographic report of juvenile court proceedings is provided for. In every county a suitable person is to be named as chief probationary officer, who shall serve at the pleasure of the commission. In districts where juvenile courts are established the judge is to recommend one or more personnel.

mendation.

These standards of salary for probation officers are fixed: Cities of the first class, \$1,000; second class, \$750; other counties, \$500. In cities of the first class the governing body, upon recommendation of the juvenile court judge, may appoint three deputy probation officers at \$3 a. day while actually on duty; in cities of the second class, by the mayor and city council, two deputies at the same rate of pay. The duties of the probation officer are defined:

He shall investigate all cases of alleged delinquency coming to his knowledge or

senate bill has been amended to meet all objections, and so have been deferred to meet all objections, and so have been deferred to have been deferred to be an obstacle. All seemed to be an obstacle. All seemed to be an obstacle. All seemed to be apresent system was the first essential. One of the house bills covering the matter provided for the election on the judges of the house bills covering the matter provided for the election on the judges. The concluding section regard and which has the approximate or or who knowingly patrolizes or visits any public or provided for the election on the judges of the house bills covering the matter provided for the election or the judges of the seance conference committee, and doubtless will be endorsed by the senate creates a board of commissioners to consist of the governor, the atorney general and the superintendent of public in struction.

Term of Office and Salary.

It is specified that in judicial districts containing clitics of the first and second class a juvenile content for two very statemand superintendent of the first and second class a juvenile content for two very statemand superintendent of public in struction.

BOILERMAKERS THREATEN TO QUIT

Ultimatum Said to Have Been Issued to Lines Controlled by E. H. Harriman.

Cleveland, March 19-A meeting of the executive board of the international boilermakers and iron shipbuilders was held at Lorain, O., this afternoon, and after matum to E. H. Harriman and associates Endlen then suddenly came to recalize the fix he was in and strenuously opposed the amendment, practically retreating from his former stand. In order to search him the senate adopted the Hollingsworth idea and shortly afterwards rejected it on reconsideration. In the meantime, however, Builten became repentant.

Uniform Bookkeeping.

One of the most important amendments to the measure was made by Senator Hollingsworth, who proposed that \$1.00 be ignored the following worth, who proposed that \$1.00 be called within forty-temperated to be used by the state board of examiners in installing a uniform system of bookkeeping in the various departments of the state government and in the institutions. This was passed without debate.

It was thought that there would be a determined for the area of the farment and in the institutions. This was passed without debate.

Newspaper Articles Which Are Said to Have Prejudiced People of

Canyon County, Idaho. Boise, Ida., March 19 .- The entire time of the district court at Caldwell today was taken up with reading clippings from newspapers which the defense claims have been read in that county to such an extent as to prejudice public sentiment. There was no session of court in the morning, an adjournment being taken, as many wished to attend the funeral of A. K. Steunenberg, brother of former Governor Frank Steunenberg. There were 200 clippings attached to the original motion for a change of venue and 150 to a supplemental motion filed at the opening of this term of court.

Most all the clippings attached to the supplemental motion appeared in the Boise Statesman during the campaign of last fall. The paper took the ground that it was necessary to re-elect the governor, as defeat of him would be construed as evidence that he was not supported by the people of the state in bringing the men to ewspapers which the defense claims have

seeple of the state in bringing the mrial who are accused of the murder, natter is now all being presented toourt as part of the motion for chancenue.
